THE HARVEST FUND...

A Gift That Keeps on Giving

The Harvest Fund is an endowment fund which provides additional resources to assist Augustana in its ministry of proclaiming the Gospel of Jesus Christ. It is administered by a committee of six Augustana members elected by the congregation.

The unique feature of the Harvest Fund is that the principal given to the Fund remains intact, and only the interest is spent each year.

Why would I contribute to the Harvest Fund?

- To give a gift that will keep on giving every year to the special ministries of Augustana and the extended outreach of the work of Jesus Christ.
- To be a good steward of all the gifts that I have been given by God and to experience the joy of giving.
- To maximize gifting and personal cash flow opportunities through the use of charitable annuities, gifts and trusts.

How does the Harvest Fund relate to regular contributions and special appeals at Augustana?

The Harvest Fund is not intended to replace the time, talents and financial support now contributed to the operating or building budget, nor is it intended to de-emphasize the need for any contributions you are now making. Rather, the Harvest Fund provides another means to enhance the ministry of Augustana.

What types of gifts are acceptable?

Appropriate gifts would include securities, real estate, life insurance, cash and other assets which can be invested to produce income.

Is there a minimum gift amount?

Gifts of any amount will be accepted.

If you have any questions, please call the Senior Pastor at (651)457-3373.

Thank you for your gift to the Harvest Fund. Cash or checks, made out to the *Augustana Harvest Fund*, of any amount are welcome. If your gift is other than cash or check, please call the Senior Pastor. Please indicate the category in which you would like your gift used.
